

Off-site support

Category:	Education	Version:	2
Date of Issue:	01-11-08	Contact:	Education Team Coordinator

Purpose

To provide information on giving support for groups and individuals “beyond our own canopy”.

Policy

1. Northey Street City Farm will provide advice, encouragement, and support where possible in keeping with the permaculture values of caring for people and sharing the surplus.

Procedure

2. Requests for design consultancies from private groups and organisations are referred to the Farm enterprise, the “Design Group”.
3. Queries and requests for services or school gardens, other community gardens or Government agencies will be referred to “Growing Communities”, an organisation that provides services through workshops, demonstrations, seminars, consultancies, actual work, etc.
4. Queries for general gardening labour, helping in the yard, landscaping etc., are referred to the Nursery, which passes on this work through a referral program.
