

Smoking

Category: Caring for people

Version: 1

Date of Issue: 01-11-08

Contact: Operations Team Coordinator

Purpose

To provide guidance on where smoking can and can not be pursued at Northey Street City Farm.

Policy

1. The following areas of The Farm will be smoke free:
 - a. all indoor areas,
 - b. all roofed areas, including the kitchen,
 - c. the whole of the Nursery compound,
 - d. all training course sessions, tour groups, food preparation and children's activities,
 - e. lunch and morning tea areas, including under the mango tree.

Procedures

1. Smokers must consider non-smokers, and smoke away from them and go 'down wind' if requested.
2. Farm smokers will 'bin their butts' in personal containers to be disposed of off-site, as The Farm strives to be a no-waste zone.
